PRESIDENT'S MESSAGE

Dear Serrans –

As I caught my breath after taking in the devastation of the Marshall fire, I remembered Doug Berg's talk at the Serra District 6 Conference. Doug relayed a story from several years ago of how he had fought a really bad fire at Holy Rosary Church in Pueblo for several hours. Once the fire was under control, and the dawn sky was showing forth the firemen went into the church.

As he looked around, he noted lots of damage both from the fire and the water pressure exuded from the fire hoses. Because of the high pressure hoses used to fight the fire, the pews and the altar were knocked over and the drywall was literally blown from the walls. As he surveyed the damage, he asked himself "where is God and why would He allow this to happen?"

So as Doug looked up, he saw a bright shiny tabernacle despite everything else being covered in soot, and to the side of the tabernacle the sanctuary lamp was in tact and the candle inside of it was still lit! This despite the drywall behind it having been blown off. At that moment, a little voice inside Doug's head said "I am right here!"

Let us remember that He is with us too!

Please join me in praying that He guides and

bless you and your families, and the Saint Junipero Serra Apostolate of Boulder County this year!

Happy New Year!

Mary Mother of Vocations and Saint Junipero, pray for us!

In Christ,
Peggy Morrow

CHAPLAIN'S MESSAGE

We have started a new year: 2022. What this new year will bring we do not know. We know that God will never abandon His Church. God knows what the future holds and has already supplied the answer. God still is in control and nothing happens that He does not allow. The Body of Christ may be entering a time of the passion but we know that this is followed by the Resurrection. Let us ask Mary the grace to be always at the side of Christ.

May you have a blessed New Year, Fr. Mark

Fr. Mark
